

Kumi Hospital

We treat and God heals

Public Announcement

The management of Kumi Hospital informs the General Public that a team of **Orthopaedic visiting Surgeons** from Holland will be holding

an Orthopaedic Camp in Kumi Hospital

for 2 weeks from 15th August to 30th August 2022

Beneficiaries are all those with orthopaedic problems such as:

- * Chronic Osteomyelitis.
- * Post Injection injuries
e.g. inability to squat and walk, weak feet.
- * Musculoskeletal abnormalities
e.g. Club Feet, knee abnormalities.
- * Trauma and fractures
both old and fresh among others.

Consultation / Medical Check up is free.
Contribution to surgery and treatment is **460.000 Ush** for children (<18 years).

Adults will meet their costs at highly subsidised / reduced rates
Those who will need special shoes, biopsy, crutches and x-rays will meet their full treatment costs.

Patients are advised to come with their personal belongings (food and upkeep) and only **one** attendant per patient will be allowed in the ward.
